#### COACH DUNLAP TO STAY WITH COLLEGE

Signs Up for Two Years and Will Whip Richmond College Team Into Shape.

Coach E. A./Dunlop, Jr., of Richmond College, signed up yesterday to remain with that institution for 1908 and 1909, his good work heretofore having brought such excellent results on the field that there was a universal desire to have him remain. He is regarded as one of the best coaches in the South.

Mr. Dunlop will have charge of football, baseball and track events. Just now he is whipping the baseball material into shape, and though it is rather early in the soaron to size up the possibilities, the Atheit Association is confident that the college will have a winning aggregation in the spring. The teams are already at work, practicing every afternoon in the Seventieth Regiment Armory. The indoor stunts will take the kinks and lame spots out of the men without running the risk of developing "charley horse" by practicing in the open.

OVERLOOKED TURF RECORD.

lice Pointer's Three Heats at Cleve-

A world's record made the past racing season, and one that has been overlooked up to date by the usually alert turf scribes and statisticians, should be credited the Clevland pacing mare Alice Pointer, 2:05 1-2, daughter of Star Point, 1:59 1-4, and out of Alice M., the dam of Red Seal, 2:10, Ballerton, 2:17 1-4, and Aliawood.

The Cleveland race was the mare's second start, the first having been at Detroit the previous week, where she got the word on a break in the opening heat and was distanced. It is a question whether her first heat at Cleveland in 2:05 1-2 is not a world's record for the fastest winning first heat ever credited a green pacing mare.
